ADVERTISING

An advertising statement reduced to printer's ink comes before the eye of a large number of people.

Among these people there is invariably a portion of them who are doubting, another portion who are critical, and still another who are knowing.

The statement then, must be truthful. It must be made in a convincing manner and must be honest in appearance.

We have the faculty of arranging types in a simple straightforward manner that will

Every Wasted Minute Costs You Money

Whether it's your time or that of
an inexpensive clerk that is wasted
by using an out-of-date directory,
THE LOSS IS YOURS.

In the course of a year the time
wasted usually costs far more than
the price of a new directory.

Misdirected parcels or messages
cause expense and annoyance.

Cut out this leak. Order a new
directory at once. It will pay you
bigger dividends for the money
invested than many of your
ventures.
